

Felycia Sugarman

Production Executive, Producer, Development, and live programming

Bio for Sunset Lane Entertainment 11/17

Felycia Sugarman is a 5-time Emmy® Award-winning media & production executive. She has managed and delivered projects ranging from channel and series start-ups, to national advertising campaigns for clients like Volvo & TD Ameritrade and for two U.S. Presidents. Felycia has shown high caliber storytelling producing an animated film and complimentary TV, print & radio PSAs on road safety in Kenya funded by USAID for Georgetown University. Currently, Felycia is consulting on a feature length documentary for the Academy Award Winning Jigsaw Productions.

Felycia has extensive live and taped international TV & event experience; as a former network executive, she was the VP of Broadcast Management & Operations; as well as Bureau Head & GE International Business Leader for the NBC Olympic Unit.

As an EP and Partner on the SLE Development team, Felycia has produced Meredith's 2017 & 2018 BrandFronts in NYC and Chicago as well as Amazon Prime's LIVE premiere of The Man In The High Castle, from Comic-Con, and The Triumph Games for Al Roker Entertainment and NBC Sports Network.
